Alitalia-Lucent 5799 ROM Microsoft PowerPoint (3) British Council - America Learnenglish Kids Site

A projector is mounted on a stand, projecting an image onto a screen. The screen displays the 'Learnenglish Kids Home' website from the British Council. The website features a 'British Council' logo, a navigation bar with links like 'About us', 'Songs', 'Stories', 'Listen, Read, Write', 'Topics', and 'Parents'. It also includes sections for 'Find lots of fun activities about colours', 'POETRY COMPETITION WINNERS', and 'What can you do?'. There are several interactive elements like a poll for favorite colors and a 'GO-AHEAD ENGLISH' section for teachers. The projector is mounted on a black stand, and a water bottle is visible on the table in the foreground.
